METEOR

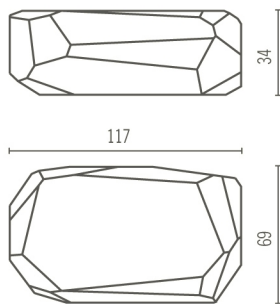

The informal system of sitting for indoor and outdoor furniture. Arik Levy's rocks perfectly blend both in a natural landscape and in all interior. Available like a container in the versions "large pot" and "large storage" (with wood cover). Available also in luminous version.

il sistema informale di sedute per l'arredo outdoor/indoor. I sassi progettati da Arik Levy si integrano perfettamente nel paesaggio naturale come in ogni interno. Disponibile come contenitore nelle versioni "large pot" e "large storage" (con coperchio di legno). Disponibile anche nella versione luminosa.
