

SERRALUNGA

Design: Rodolfo Dordoni - Serralunga Collection 2000

MING

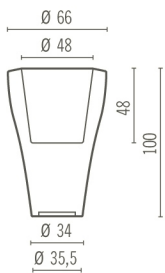

The Ming flowerpots designed by Rodolfo Dordoni are appreciated for their generous dimensions, underlining the upper large border and for its traditional yet modern design which can be adapted in any given situation, either public or private. While sketching, the designer had in mind cactaceous plants such as, cactus, agave, rich and prickly, to blend in contrast with a soft and sensuous shape of the flowerpot.

I vasi Ming di Rodolfo Dordoni si apprezzano per le dimensioni generose, sottolineate dal grande bordo superiore e per la forma tradizionale e moderna al tempo stesso, che si adatta alle diverse situazioni di utilizzo, sia in ambito pubblico che privato. Il progettista li ha pensati dedicati a piante cactacee, agavi e cactus, succulente e spinose, da collocare in contrasto con la forma morbida e sinuosa del vaso.
